

Holiday Homework
Summer Vacation: 2026-2027
Subject: Political Science
Chapter: Power Sharing
Max Marks: 20

Assignment: SET A

I. Multiple Choice Questions (1 Mark Each)

- A. Which language is spoken by the majority of the population in Belgium?
1. French
 2. German
 3. Dutch
 4. English
- B. Horizontal distribution of power is a system of 'Checks and Balances' because:
1. Power is shared among different levels of government.
 2. Different organs of government are placed at the same level to exercise different powers.
 3. It gives unlimited power to the executive.
 4. It ensures the judiciary is superior to the legislature.
- C. In Sri Lanka, the democratically elected government adopted a series of measures to establish:
1. Tamil Supremacy
 2. Sinhala Supremacy
 3. Federalism
 4. Linguistic Equality
- D. A "**Prudential**" reason for power sharing is based on:
1. The inherent value of democracy.
 2. Careful calculation of gains and losses to reduce social conflict.
 3. Religious sentiments.
 4. The whims of the majority community.

II. Short Answer Questions (2 Marks Each)

- A. What was the ethnic composition of the capital city, Brussels, before the Belgian accommodation?
- B. Differentiate between the Prudential and Moral reasons for power sharing.

III. Short Answer Question (3 Marks)

- A. Explain the three measures taken by the Sri Lankan government to establish Majoritarianism.

IV. Paragraph Based Question (4 Marks Total)

Read the following extract and answer the questions:

"The Belgian leaders recognized the existence of regional differences and cultural diversities. Between 1970 and 1993, they amended their constitution four times so as to work out an arrangement that would enable everyone to live together within the same country."

- A. How many times was the Belgian Constitution amended? (1 Mark)
B. What was the primary objective of these amendments? (1 Mark)
C. Describe the concept of 'Community Government' introduced in Belgium. (2 Marks)

V. Long Answer Question (5 Marks)

1. Demands for a separate French state.
 2. The feeling of alienation among Sri Lankan Tamils.
 3. Conflict between the Dutch and the Germans.
 4. The intervention of the United Nations.
- B. Power sharing between the Union Government and State Governments is an example of:
1. Horizontal distribution
 2. Vertical distribution
 3. Community government
 4. Pressure group influence
- C. The 'Act of 1956' in Sri Lanka recognized which language as the only official language?
1. Tamil
 2. English
 3. Sinhala
 4. Hindi
- D. The system of 'Community Government' in Belgium is elected by:
1. People belonging to one language community.
 2. The entire population of Belgium.
 3. Only the people living in Brussels.
 4. The King of Belgium.

II. Short Answer Questions (2 Marks Each)

- A. Define the term 'Majoritarianism'.
- B. Why did the Dutch-speaking people in Belgium have a grievance despite being a majority in the country?

III. Short Answer Question (3 Marks)

- A. "Power sharing is the very spirit of democracy." Justify this statement with three points.

IV. Paragraph Based Question (4 Marks Total)

Read the following extract and answer the questions:

"In a democracy, political power should be distributed among as many citizens as possible. In modern democracies, power sharing arrangements can take many forms. One of the most common is the sharing of power among different organs of government, such as the legislature, executive, and judiciary."

- A. Name the three organs of government mentioned in the text. (1 Mark)
B. Why is it important to distribute power among citizens in a democracy? (1 Mark)
C. How does the 'separation of powers' prevent any one organ from exercising unlimited power? (2 Marks)

V. Long Answer Question (5 Marks)

- A. Compare the ways in which Belgium and Sri Lanka handled their ethnic diversities. Which model do you find more effective and why?
-
